However it has come to the notice of the Board that some of the schools have not yet developed their own website and have not uploaded the required information on their website. Therefore, to ensure the effective compliance, the Board has now decided to link the compliance by the school with the registration of class IX and class XI candidates of each affiliated school. The defaulter school failing to comply with the above directions will not be able to register their candidates for Board's Examination and responsibility would lie with the school Management.

Besides, school prescribing private publisher's books should also put a declaration on its website as per the directions notified vide Circular No.CBSE/AFF /Circular/2013/529422 dated 26.02.2013 which is also available on CBSE website.

All the Managers/Principals of the schools affiliated to the Board are again requested to comply with the above orders within a period of one month positively from the date of issue of this circular otherwise Board will initiate necessary action against the defaulting school.

Yours faithfully,
